FROM THE PRINCIPAL'S OFFICE

• **Special Welcome** – to our new families who have started school with us, including our new Kinder families. We trust that you and your child/ren will enjoy their time here and that individually it is a great educational experience.

• **Congratulations** – to all our students on their dedicated start to the school year, especially with regards to the extremely hot temperatures. Our Kindergarten students who have started today after completing their Best Start Assessment last week are already starting to settle in well with the help of their Year 6 buddies. Congratulations also to the entire staff for their committed start to the beginning of the year. They have already been busy organising things for this term.

• **Trees Trimmed** – during the holidays the plain trees lining Albury Street were trimmed to take out all of the dead branches in there. This was urgent work as it was unsafe. It was also help to improve the lifespan of the trees.

• **New Hall** – the work on this continues to progress and is going well. Major work around an electrical upgrade for the school was taking place yesterday. The building itself is starting to take shape now and we are all looking forward to moving into it when completed. At this stage the completion date looks like March.

• **New Smartboards Ordered** – we are looking forward to receiving the three new smartboards we ordered at the end of last term. This will give us seven smartboards in total, one in every classroom. Our students will benefit greatly from this extra technology.

• **School Swimming Carnival** – will be held this Friday. I’m sure the students are all looking forward to this and that the students will have a great time and do really well. I know I’m looking forward to Friday and getting the chance to support the students and congratulate them on their achievements.

• **School Uniform** – how wonderful it was to see, and it was extremely noticeable to the entire staff, just how many students were in the correct uniform – which includes BLACK SHOES. It looks fantastic and I must thank the large number of parents who have passed on their positive comments and support to me with regards to the changes. It is clear that parents are extremely supportive of our new school uniform, especially wearing black shoes and that students look great in it. Just to clarify a few points for you:
  1. There is a phasing-in period with regards to the old uniform and the new one. For example, parents are waiting until they need to replace the yellow polo shirts (too small or worn out) before purchasing new ones with the emblem on them.
  2. The entire school uniform is available from school so that parents can have availability at the lowest possible price. The school has even absorbed some of the cost on some items and any initial setting up costs. So we want to look after parents and need your support in return.
  3. Black shoes are part of the uniform and you are allowed to wear black runners as long as they are all black. A lot of students already wear them.
  4. Students are to wear stud earrings only, are not to wear necklaces, bracelets or rings for safety reasons and must wear a wide-brimmed navy hat (preferably with the school emblem) all year round when playing outside.

The School’s Uniform Policy is attached to today’s newsletter and is in place to start this term. The school expects that parents will support the school in helping to follow the Uniform Policy. We will be working with parents on this, so please don’t hesitate to see me if you have any concerns.

Mr Jason Weaven
Principal

HOLBROOK PUBLIC SCHOOL SWIMMING CARNIVAL
Our annual swimming carnival is planned for Friday 5th February 2010 (back up date 12.2.10). Thank you to all the volunteers who have agreed to assist on the day. Job rosters have been sent home today. If there are any problems or changes required please contact me at school.
We conducted races at sport Friday and have managed to seed heats for Freestyle and Breaststroke which should lead to more competitive heats and improved times. Children need to have the fastest overall time in 66m and 100m events to qualify for the Southern Riverina Carnival in Henty on Friday 19th February 2010. All 33m events go towards house points and we encourage all students to enter as many events as they can.
Remember to send you children to the pool with their lunch or lunch order, snacks, plenty of water, hats (wide brimmed), sunscreen and house colours – Lawson – Blue, Mackellar – Green and Paterson – red. All children will be dropped off and picked up from the pool, with all buses following these plans.

Keep lunches cool for school – simple tips to avoid food poisoning

A survey of primary school lunch boxes has revealed more than 70% of students could be at a higher risk of food poisoning for failing to keep their lunches cool, Primary Industries Minister Steve Whan said today.

The survey by the NSW Food Authority examined the lunches of 766 Sydney primary school students.

“It is essential lunches are kept cool for school – sandwiches with meat or chicken can sit for up to five hours before kids eat them, so they can have much more bacteria if food is stored at room temperature,” Mr Whan said.

“On a very hot day that can be a recipe for food poisoning – the warm summer temperatures provide an ideal environment for bacteria to multiply.

“Preventing bacteria is simple – just pack a frozen drink with your child’s lunch each day.

“The survey reveals that only 29% of lunches were being stored safely, by using an ice brick or frozen drink to keep food cool.

“So around 70% of students’ sandwiches are up to 12 degrees warmer than they could be if their lunch box was packed with a frozen drink.

“While more than 73% of students have sandwiches for lunch, leftover food is becoming another popular option, and parents need to be especially mindful that leftover food is still fresh and kept cool.

“Other items found in the lunchboxes surveyed include pizza, pasta, noodles, pies, sausage rolls, cooked chicken and even sushi.

“It is great to see the number of parents packing fruit in the lunchbox with almost 80% of students taking whole fruit or cut fruit to school.”

Lunch box survey
- 88.7% of students bring their lunch to school in a lunch box
- 29.3% have an ice brick or cold drink in their lunch box
- 73.7% bring sandwiches to school
- 26.5% did not bring sandwiches to school
- 79.8% of students bring fruit to school

“While the majority of lunchboxes are kept inside the classroom, alarmingly the survey also revealed there were a handful of students which kept their lunch outside in the sun – which should be moved to the shade immediately,” Mr Whan said.

The Food Authority’s tips for safe school lunches include:
- Cold foods should stay cold, so invest in an ice block and insulated lunch box to keep foods cold until lunchtime.
- Freeze water bottles or drinks overnight and place them in the lunch pack. The water or drinks will thaw by lunchtime, but will still be cold and will help keep the rest of the lunch cold.
- Some food is safe without a cold source this includes whole fruits, vegetables, hard cheeses, meat and fish in cans, bread, crackers, pickles and some spreads.
- Ask children to keep packed lunches out of direct sunlight and away from heat sources. A cool, dark place like a locker is better.
- If lunches are made the night before, keep them in the refrigerator overnight.

The lunch box survey, and food safety tips are available at the NSW Food Authority’s website: www.foodauthority.nsw.gov.au
