CONGRATULATIONS

Holbrook Public School dance troupe.

The first Riverina primary school to ever be chosen for the prestigious state dance festival!

The Holbrook P&C would like to take this opportunity to congratulate the school dance troupe and in particular Mrs Kristie Preston on their fantastic efforts and dedication to dance that has led to their selection for the State Dance Festival to be held in Sydney in mid September.

Holbrook Public School
Quality education for all in a secure and caring environment

The arts are where it’s at!

Term 3, 2011
A P&C Association initiative.
 Proudly supporting our school.
The Arts at Holbrook Public School

The Holbrook P&C are proud to support the many and varied arts programs that are available within our school community. We have an ongoing commitment to help fund and/or source funding to supply our children with many quality arts programs that may be available.

We are extremely fortunate to have available on our doorstep a prominent and successful local artist in Graeme Clifford. Mr. Clifford shares his extensive knowledge and experience with all the children of Holbrook Public School, helping them to create many fantastic art works in many different mediums from small individual artworks to large public displays. The children take pride and ownership of the murals they helped create with Mr. Clifford even long after some of the children have left the school.

The school is alive with the sound of music etc. etc.

Holbrook Public School has a well equipped music room with everything from triangles and recorders through to electric guitars and drum kits. The Whole School Performance, our annual school presentation night, and Education Week in Wagga, are some of the exciting live performances our band has presented to large and appreciative audiences.

We also have talented singers who represent our school in the Central Riverina Regional Choir. Individual students also have the opportunity to attend diverse camps from dance through to strings and also the Riverina Coral Camp.

Our talented teachers

None of these fantastic opportunities for our children would be available without the skills and enthusiasm of the dedicated staff of Holbrook Public School. We thank you all!
