Clean Up Australia Day Barbecue

Year 6 parents aka Team Recyclers catered to the whole school assembly and barbecue lunch for the school’s Clean Up Australia Day on 5 March. They are now in the running for the inaugural Golden Tongs Award.

The Holbrook Public School P&C Association is extremely proud of our school and we think that you should be too.

The role of the P&C is to promote the interests of the school by bringing parents, citizens, students and the teaching staff into close co-operation. We assist in providing facilities and equipment for the school to promote the recreation and welfare of the students. There are many events to look forward to in 2010 including the opening of the school hall and social nights. These are significant fundraisers for our school and therefore richly benefit our children. We encourage you to be a part of them.

P&C: Contributing to your child’s educational experience
- 3x Smart boards in 2009;
- 9x Computers in 2009;
- Sporting equipment and uniforms;
- Library resources;
- Children’s vegetable gardens;
- Landscaping and design of school grounds;
- Class room supplies;
- Giving parents a voice in their child’s education;
- Working together with staff in achieving great outcomes for our children.

We are a great community school. We are your school!
