Zone Athletics Carnival 2010
Sarah Bahr-Withers in action at the high jump at the Zone Athletics Carnival in Albury. Parent helper, Jack Parker and Adam Preston manned the bar (so to speak) on the day, thanks must go out to all the parents who take time out of their busy days for the benefit of our school and all the children. Well done parents. Every bit helps!

Community News for Term 3
- Kindergarten enrolments for 2011 are now being encouraged to determine classes, staffing, school organisation and Kinder Buddies.
- Saturday 21 August is the Federal Election. As in previous years, the AEC polling booths will be at Holbrook Public School. The P&C will be operating a produce and cake stall on the day. This is an excellent opportunity to grab a home baked bargain and support your local school at the same time. Anyone wishing to help out on the day with produce, cakes or man power can contact Teena Last on 6036 2970. All monies raised go to support your local school.
- Congratulations to both senior and junior HPS debating teams who were victorious against St Pats on 29 July. Watch out for the finals next term.

Kindergarten celebrates 100 days down, only 3540 to go!
The Kinder class of 2010 have enjoyed their first 100 days at school. When these children graduate in 2022, they will have attended nearly 3640 days in both primary and secondary school. What will the future hold for them all? Watch this space and find out. Go kids!

Angels in the making!
Kristie Preston continues to run the very successful dance troupe at Holbrook Public School. These Year 4 girls are delighted to be dressing up as angels for the Education Week assembly. These costumes are only part of the range available for use and were supplied with funding from the P&C in 2009. The P&C continues to support the school dance troupe in 2010.

What’s the fee for Term 3?
What does it cost for your children to attend Holbrook Public school per term? Very little. In fact the voluntary contribution is only 15 cents per day for one child or 17 cents per day for families with two or more children in attendance. Talk about value for money, a high quality education for next to nothing. Now that’s worth it!

Whole School Performance
It’s on again, the roles have been cast, the performance’s are being polished even as we read, and all that remains is for us to attend and enjoy what is sure to be a hit production. This year’s production is titled TV Dinner and will show on Monday 20 September at 7.00 p.m. and Tuesday 21 September matinée and 7.00 p.m. Last year’s show was booked out, so to avoid disappointment and overcrowding, be sure to book your tickets in advance through Tracey at the school office on 6036 2021 or please email through your orders. Please note tickets will not be sold at the door.

Music makes HPS go round!
Year 4 teacher Adam Preston leads a group of children in a jam session with some of the instruments purchased with help from the P&C. These budding musicians are obviously enjoying their lessons. Watch out for future rock stars.

EGGcellent things happening at our school
You may have noticed four new “students” at HPS. They don’t attend any classes and they are yet to be seen in school uniform; but they are very welcome additions to our school. Yes they are chickens, complete with their wonderful enclosure (lent by the Bulle family), the chickens are producing some fine work in the shape of two to three eggs per day. These free range, organic, totally humanely produced eggs are available for purchase at the office on a first in first served basis, for only $2.50 per dozen.
