FROM THE PRINCIPAL’S OFFICE

Mrs Wedgwood Acting Principal – I will be away for the next two weeks for a combination of meetings, coaching the Riverina Girls Cricket and leave. Mrs Wedgwood will be Acting Principal if you have any concerns.

Happening In Holbrook Town Parade – Well done to all the students, staff and parents for their efforts, donations, support, enthusiasm and time. It was a fantastic experience for all and a great advertisement for our wonderful school, students and staff!

School Assembly – Congratulations to our School Captains and Prefects for running an excellent assembly last week. It was a very enjoyable performance indeed! This week’s assembly will be run by Year 4 and will start at 11.00 am. We hope to see you there.

Stewart Tennis Shield – was held last Wednesday against St Pat’s School. Congratulations to our school for their efforts winning the day and the trophy. A big thank you to Miss Lavis for organising this event.

Debating – Well done to our debating teams who enjoyed good victories against Henty Public School. A great effort!

University of NSW Mathematics Test Results – We had 10 students participate and were awarded 7 participation certificates and 3 credit certificates.
- Year 3 – school 14.0 below the state of 21.5
- Year 4 – school 15.5 below the state of 23.1
- Year 5 – school 21.8 just below the state of 22.3
- Year 6 – school 17.3 just below the state of 19.6
Well done to these students on their results, considering the test is quite hard.

A Great Donation by Our P&C – A big thank you to the school P&C for their outstanding donation to the school of $7000. What a wonderful effort this is. The money will be used to fund a number of things within the school including K-2 readers, an iPad for each classroom, wireless internet across the school, replacing the volleyball court and new seating in the oval part of the playground. The P&C’s hard work really pays off when you can make that kind of donation, which will help our students in so many ways.

Concert Band Visit – On Wednesday, the ACT Junior Concert Band will again be visiting our school (like last year) to perform free for our students. We really enjoy their visit as they are very talented and highly entertaining.

Kinder Orientation Evening – On Thursday 24 October, there will be a Kinder Orientation evening in the Kinder room, starting at 7.00 pm. This is a great opportunity for parents to find out more about our school, what our school has to offer, a chance to meet the staff and see what programs are in place for the students of our school. Parents will have the opportunity to ask questions and enjoy supper with the staff. We do hope to see you there.

Attached to today’s newsletter is a list of the dates for this year’s Kinder Orientation Program at our school. If you have any questions or would like an interview, please don’t hesitate to contact myself or Miss Mills. Enrolments for 2014 are now been taken. Please see the school office for forms.

WANTED: TRAVEL BROCHURES

If anyone would like to donate travel brochures about Australia, Years 1 and 2 would love to have them. We are studying wet and dry landscapes this term and these brochures would help us enormously.

WANTED: GLASS JARS

Glass jars are wanted for the Year 6 Farewell dinner. If you have some to donate, please bring them to the office.

P&C PAVER DRIVE

Holbrook Public School is embarking on a paver fundraising project this term and invites you to help beautify the area outside the Year 5 classroom and vegetable garden. This will also further extend the current pavers that we have in place from a previous project in years gone by.

By purchasing a paver, for as little as $30, your name or message will be engraved into a paver and then laid as a lasting record in Holbrook Public School’s history. This area will become an enduring link between the past, present and future, including essential partnerships with the wider community which makes our great school what it is today. If you wish to participate in this fundraising opportunity, please pick up an order form from the office.

**How to lead a healthy lifestyle**

**Tips for parents**

The choices you make are crucial in helping your children to develop healthy eating habits and be physically active. This might mean changing what you buy at the supermarket and what snacks you serve, as well as finding ways to get your children up and active.

- Encourage your children to make healthy choices about food and being physically active. This can include verbal prompts, preparing healthy snacks and meals and buying them ‘active’ gifts, such as bats, balls or a skipping rope.

- Avoid using unhealthy foods as ‘treats’ for children’s good behaviour as this is likely to have a training effect and increase the appeal of such foods.

- Making healthier choices doesn’t mean you can’t reward or treat children. Come up with some fun, ‘active’ rewards that aren’t food-related, such as going for a bike ride with mum or dad, a morning at the swimming pool or a visit to the zoo.

- Children do what they see, so it is crucial to demonstrate healthy behaviours. This can be as simple as eating together as a family, involving children choosing and preparing healthy meals and spending time together being physically active.

Congratulations to the 75 Holbrook Public School students who managed to dress up in their school uniform on a Saturday and perform a civic duty to their school. It was an impressive turn out and one that received many comments from the people of Holbrook. A huge thank you must go to Anthony and Melissa Churchill, for donating their magnificent truck and trailer for us to use. It was a spectacle to see the history of Holbrook Public School set out for all to see.

The first section was in honour of the school when it was called Germanton, back in the early 1900’s with Headmaster Preston and a number of students all dressed up in period costume. The middle section of the truck represented the era when we were known as Holbrook Central School from the 1940’s to late 1970’s. This section had a very pregnant Mrs Wedgwood and some rather cautious students dressed in the beautiful brown and gold uniforms. The last section was Holbrook Public School as we now know it and had Miss Lavis with her iPad, interactive whiteboard and some very technologically savvy students taking photos of the procession. The rest of the group danced and sang behind the trailer and did an amazing job promoting our school and all the talented students we have.

Thank you to Year 5, Lorraine Ross and Melissa Sweetland for assisting with the decoration of the float, as well as Anna Watson for attending the meeting and helping with the planning. Thanks also to Tracy Swan and Jenni Papworth for helping dismantle the float at the end of the day. And to all the staff who gave up their weekend to be part of the event! We are very proud of the students and their dedication to our school and for being part of a very special and significant part of Holbrook’s history!

Mrs Preston
Dear Parents,

The range of evaluations the school undertakes each year is almost finished. The last three evaluations Educational Survey (Culture), Curriculum Survey (Mathematics) and Satisfaction Survey are all attached to today’s newsletter, with the results of all these evaluations to be published in the Annual School Report.

**These surveys are for parents.** Students will be given separate surveys designed specifically for children. Students will complete their surveys at school. It would be appreciated if the completed survey could be returned to school by Friday, 8 November, 2011.

Thank you to all the parents who do complete the surveys as your responses provide very important information that we use to further improve our school programs.

Thank you for your anticipated support with this survey. I look forward to sharing the results with you.
